Student's Digital Resources on PGCMLS Website

Access full list [here](#)

Look for more resources for learning from home at pgcmls.info/School

The online resources are listed in the following sections:
art, reading and writing, mathematics, science, social studies, other, and tutoring.

PGCPS students may access the online resources with their LINK account by using "PGCPS + 9-digit school's ID Number" (Example: PGCPS100100100).

The online resources are also accessible with your library card (the password is usually the last four digits of your phone number).

Some of the online resources require you to open a free account.
Watch these [help videos](#) if you need some assistance getting started.
If you are having trouble accessing any resources, please [contact us](#).

Kirsten Grünberg, Hyattsville Library - Updated September 18th, 2020

High School Digital Resources

Promote the students' research skills by facilitating databases and a variety of information resources.

Wondering where to start?

Try the [Encyclopedia Britannica Reference Center](#) as a starting place for any research project. This resource includes a dictionary, encyclopedia articles, magazines, web sites, videos, primary sources, and the Year in Review.
