

You are being asked to contribute your recollections, photographic images, video, social media postings, or other digital content to Prince George's County Memorial Library System (PGCMLS) for the Archiving the Pandemic project.

You may only submit material created entirely by you and not copied from or based, in whole or in part, upon any other photographic, literary, or other material, except to the extent that such materials are in the public domain. If you would like to refer or nominate material which you do not own, please contact us at [pr@pgcmls.info](mailto:pr@pgcmls.info).

By submitting content, you are granting PGCMLS permission to disseminate, preserve, and use that content in connection with its educational and research mission, including promotional purposes, in all media in perpetuity. You retain ownership of and copyright in the material you share. By submitting, you hereby authorize PGCMLS to include content in its digital archive and any current and future third-party non-commercial digital archives.

Submitted material must not violate any confidentiality, privacy, security or other laws. Please be aware that all submissions and any information associated with the submissions (email address, descriptive information, etc.) may be provided to federal, state, or local law enforcement or other government agencies pursuant to a lawful subpoena or otherwise as required by law.

*PGCMLS is not obligated to include your content in this project or preserve it in perpetuity.*
